

He Also Ran

In Memory.

Mrs. Narasis Reeves, wife of Thomas Reeves, died at her home on Oolenoy, November 3, 1912. Mrs. Reeves has been a great sufferer for several months. Her left arm mortified and was taken off about a month ago, after which she improved rapidly for awhile, but was taken worse and died.

She was buried November 5th at New Friendship burying ground. Rev. Fayette Powell conducted the funeral service. Mrs. Reeves was the mother of seven children, two who have gone on before, and five survive her. Mrs. Lissie Stewart, Mrs. Omie Conley and Messrs. Lee, Waddy and Luke Reeves, and thirteen grand children.

Our darling mother has left us. She has gone to wear a crown with Jesus in her eternal home.

He sought among our treasures and took our darling mother. She was not given, only loaned for awhile. We will meet her on earth no more but we expect to meet her up yonder on that blessed shore, where there will be no more sad parting and no more goodbye's. When he took our mother he only took his own. He took her to the Savior to place her in his crown.

"A precious one from us is gone
A voice we loved is still,
A place is vacant in our home,
Which never can be filled."

Sister Reeves was a consecrated mother and a good wife. No one can take the place of mother. She left the word that she was prepared to go.

"Oh death, where is thy sting?
Oh grave, where is thy victory?"

May God be with the bereaved husband and children. Guide and direct them that they may meet mother on that celestial shore.

-Oh angel mother, we will meet you bye and bye.
One who knew her.

Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health. Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regard the effects of constipation. C. E. Ayers, 6 Sabin St., Montpelier, Vt., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them four I had never tried anything that acted in such a quick and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice. Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.

SYMPTOMS OF CONSUMPTION

Yield to Vinol.

The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease. A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Pickens Drug Co. (ad.)

Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at Pickens Drug Company. adv.
